INSTRUCTIONS FOR WRITING THE ARTICLE - STUDENTS

The article (Front page, 5 to 10 written pages and bibliography) should have at the beginning:
1) Title (16 pt) and the name and surname of the author (14 pt)
2) Abstract (up to 250 words)
3) Keywords (up to 5)

The article should include:
1) Front page with the above listed elements (Title, Name, Abstract, Keywords)
2) Introduction, discussion and conclusion (5 to 10 pages)
3) Sources and bibliography

Upon submission to our email address slavic.conference2018@gmail.com the article should be in format .doc or .pdf

Article should be written in standardized English language (orthography, syntax) in A4 format with one-and-a-half line spacing and upper, lower, left and right margins of 2,5 cm. Font type should be Times New Roman and size 12 pt in the body and 10 pt in the footnotes. The alignment should be justified, paragraphs should be separated by a blank line.
For emphasis, use only italics. Footnotes should be numbered and placed on the current page of text. You can use up to three hierarchical levels of subheadings, which should be numbered: 1 - 1.1 -1.1.1

Citations in the text should be marked with a double (“ “), while quotations within quotations in single (‘’) quotation marks. The source of the quotation is to be indicated in round brackets at the end of the quote. The form and style of citation should follow exclusively Chicago style, as specified in currently valid 16th edition (http://www.chicagomanualofstyle.org/home.html).
